Letter From Imole Ekiti

"My dear people of Ikole and Oye,
For too long our voice has been muffled in Abuja. I am

you. Issue by issue, we will rebuild Ekiti Oke
together."

- Apostle Ayodele David-Adesua

OUR 6-POINT AGENDA FOR EKITI NORTH 1

“Apostle Ayodele David-Adesua - ADA, IMOLE EKITI”

1. EDUCATION: "LIGHT FOR EVERY CHILD"

The Problem: Our schools need infrastructure, teachers, and modern learning tools.

ADA's Vision:

- Facilitate Federal interventions for renovation of primary & secondary schools in Ikole and Oye.
- Scholarship & Bursary programs for indigent students in tertiary institutions.
- ICT/Computer Centers in every major town to prepare our youth for the digital economy.
- Advocacy for TETFund and UBEC projects to be sited in our constituency.

2. JOB CREATION & EMPOWERMENT: "WORK FOR OUR YOUTH"

The Problem: Jobs are scarce. Our graduates are roaming.

APOSTLE DAVID-ADESUA's Vision:

- Facilitate Federal job slots and federal employment opportunities for our sons and daughters.
- SME Grants & Soft Loans in partnership with BOI, NDE, and CBN for traders, artisans and entrepreneurs.
- Skill Acquisition Centers in Ikole and Oye - tailoring, welding, ICT, agriculture, catering.
- Support for market women and cooperatives with funding and capacity building.

3. ROADS & INFRASTRUCTURE: "OPENING EKITI OKE"

The Problem: Bad roads are killing our farmers and traders. Movement of goods and services is hard.

APOSTLE DAVID-ADESUA's Vision:

- Lobby FERMA and Federal Ministry of Works for rehabilitation of key inter-community roads linking Ikole, Oye and villages.
- Facilitate rural road projects to connect farms to markets.
- Advocate for electricity and solar street lights in major markets and junctions.
- Push for Federal presence in erosion control and water projects.

“

Quotes

Good roads bring food to the table
and money to the pocket.

”

“Apostle Ayodele David-Adesua - ADA, IMOLE EKITI”

4. HEALTH

Problem:

Our people travel far for basic healthcare. Clinics lack drugs, equipment, and personnel. Preventable sicknesses are taking too many lives.

Vision:

Accessible, affordable, and quality healthcare for every home in Ekiti North 1. Upgraded PHCs, equipped hospitals, and health insurance awareness for the vulnerable.

“

Quotes

"A healthy people is a productive people.
We will bring healthcare closer to you."

”

“Apostle Ayodele David-Adesua - ADA, IMOLE EKITI”

5. AGRICULTURE & FOOD SECURITY

Problem:

Our farmers have the land and the zeal, but lack support, storage, and market access. Post-harvest losses are too high.

Vision:

Empower farmers with inputs, training, and cooperative financing.
Build storage facilities and connect farm produce to markets for better income.

“

Quotes

When we feed our people from our own land,
we secure our future.

”

“Apostle Ayodele David-Adesua - ADA, IMOLE EKITI”

6. WOMEN, YOUTH & VULNERABLE EMPOWERMENT

Problem:

Our women and youth are full of potential but lack skills, capital, and opportunities. Too many are left behind.

Vision:

Skills acquisition, grants, and startup support for women and youth.
Special programs for persons with disabilities and the vulnerable in our constituency.

“

Quotes

"Leaders build people. We will invest in those who will build tomorrow."
